OUT Teletype No. 87667, dated 7 December 1963, filed at 1215 hours,
to FBI

The re-interrogation of Gilberto ALVARADO, Nicaraguan informant who claimed to have seen Lee OSWALD receive money to assassinate Kennedy, has been concluded. Mexico City advises us that ALVARADO admitted he must have been mistaken in saying that he saw OSWALD in the Cuban Embassy. Also, he was uncertain of the date on which he might have seen someone like OSWALD and thought it must have been on a Tuesday, which would have made it 17 September 1963. Although the final report of the polygraph interview is not yet available, the preliminary finding is that ALVARADO evidenced deception reactions when talking about OSWALD.

It is expected that ALVARADO will be deported to Nicaragua on 9 December 1963.

A representative of your Bureau participated in the interrogation of ALVARADO.
